The DENZAI has a long history of experience, skills, and equipment in Japan and overseas, and covers a wide range of areas in the offshore wind value chain. We strengthen our advantage more by providing one-stop services in an offshore wind industry.

---

The DENZAI Group is the biggest heavy machinery leasing company in crane in Japan. Since our establishment in 1972, we have opened offices throughout Japan, and in the Asia-Pacific region, Taiwan, Vietnam, India, and Bangladesh, where economic growth is remarkable. In 2020 we welcomed Huatong Holdings, a major Singaporean company, to DENZAI Group. We will be ready to meet the needs of customers around the world. Furthermore, we have established R&D Centre in South Korea for the development of cutting-edge wind power monitoring systems. The DENZAI Group will continue to earnestly respond to evolving needs of our customers with one-stop DENZAI SOLUTIONS for their greater success.
